

GREENWYCHE POOL

SPRING 2005

President's Message

Welcome back to another relaxing year by the pool! It's hard to believe that in a few short weeks, it will be time to get ready for opening day. Your board has prepared a "to do" list, but we would love to have your feedback. We want Greenwyche to be a recreational facility that you and your family can be proud of. Feel free to contact us with your suggestions.

Some of the items that are being addressed:

- 1) Repair fence around pool and tennis courts.
- 2) Put motion-sensing lights on the corners of the clubhouse so parking lot will be illuminated at night.
- 3) Purchase some additional lounge chairs and umbrellas.
- 4) Re-paint the bathroom floors.
- 5) Replace fence on west side of pool grounds.
- 6) Replace fan cover in boys' restroom.
- 7) Fix loose drain cover in boys' restroom.
- 8) Look into replacing slide with a more commercial variety.
- 9) Install new bulletin boards in breezeway.

We are excited to have Andy Chaffin back again as our pool manager. If you have any suggestions for Andy or any of

the board members as to how we can make your pool experience better, please let us hear from you. We would also love to have your involvement on committees. Whether it's joining us for spring clean up, working swim and dive meets, or helping plan social events, we have a job for you!
