

***Honor your favorite gator, swimmer, diver or family with a personalized paver!***

The Competition Pool updates are in full swing! Thank you to everyone for supporting all the efforts the Board has made to ensure we have a safe pool for all of our members for the 2018 summer and beyond. The personalized Whitaker bricks will be used to pave around the splash pad area. Members and their families will be able to have their names forever etched at their favorite summer home! We want to make the bricks affordable, and our profits will be earmarked to update much needed deck furniture and replacement umbrellas.

**Each \$50 brick can hold up to 3 lines of 19 characters or spaces. You may order as many as you would like.**

Please print your desired message on the form below. If ordering multiple bricks please fill out one form for each brick. Bricks will be ordered and installed in groups as orders are received. Thank you for printing clearly.
